

Wynn's ValueGuard Service Contract

Mechanical breakdown protection:

Plans from 3 months/ 3,000 miles to 36 months/36,000 miles.

Additional benefits offered:

- Towing
- Roadside Assistance
- Car rental
- Repair payments can be made directly to repair facilities

Standard Coverage: \$100.00 Deductible

Engine: All internally lubricated parts, pistons, piston rings and pins, crank shaft and main bearings, cam shaft and/or bearings, cam chain, gears, and/or timing belt, rocker arms, shaft and bushings, connecting rods and bearings, intake and exhaust valves, valve springs guides and seats, valve push rods, hydraulic and solid lifters and followers, intake and exhaust manifold, oil pump, pick up screen, eccentric shaft and main shaft, main shaft bearings, and all other internally lubricated parts of the engine, cylinder heads, engine block and cylinder barrels.

Seals and Gaskets: Cylinder head gaskets and intake manifold gaskets are covered components. All other seals and gaskets are covered, but only as a result of mechanical failure to a covered component.

Transmission and Transfer Case Unit: Automatic or Standard transmission. All internally lubricated parts contained within the transmission case, transfer case and/or torque converter case, including; lock-up converter, gears and shafts, bearings, bushings, bands, clutch plates, friction and steel drums, pump, servo unit, valve body and plate, governor, main shaft, shift forks, synchronizer drums and overdrive housing. (Not Covered: clutch, pressure plate, throwout bearing, linkage, cables, shifter, electronics switches, solenoids and clutch slave cylinders).

Drive Axle(S): All internally lubricated parts within the drive axel housing, drive axel housing, ring and pinion gears, spider gears, side gears, bearings, bushings, spacers, yokes, driveshafts, carrier bearings and universal joints.

Cooling: Radiator, water pump, electric fan motor, fan clutch, and coolant recovery container.

Electrical: Generator or alternator, voltage regulator, electric horn, windshield wiper motor(s), starter motor, starter solenoid, rear defroster switch, and starter drive assembly.

Air Conditioning: (Factory or dealer installed) Accumulator, condenser, compressor, clutch, clutch evaporator bearings, receiver/dryer; (Not Covered: Component failure due to contamination of specified manufacturer's refrigeration oil, recharge and evacuation of system, A/C system conversion or retrofit).

Steering: Steering gear box, power steering pump, piston and rack.

Front Suspension: Upper and lower control arm shafts, upper and lower ball joints, spindles, wheel bearings, leaf and coil springs (only if broken).

Brakes: (Non ABS only) Master cylinder, power brake cylinder, vacuum assist booster and valve, wheel cylinders, hydraulic lines, hoses and fittings.

High-Tech Electrical: (Not available on 3 and 6 month contracts) Power antenna motor, power door lock actuators and switches, power mirror motors and switches, power seat motors and switches, power sunroof motor, power convertible top motor, power window motors, regulators and switches, electronic ignition module.

Fluids: Any fluids required as a result of failure to a covered part. (Exclusions are air conditioning refrigerant, filters and oil additives).

Turbocharger: (OEM equipment only) All internally lubricated parts, housing, wastegate, vanes, shafts and bearings.

Note:

This web page is not a contract. The contract is the Vehicle Service Contract and all benefits described herein are subject to the terms and conditions of the vehicle service contract.

Remanufactured or used parts may be used in certain instances. Covered parts include fluids when required as part of the repair or replacement of another covered part.

* See the Wynn's ValueGuard Service Contract for complete details regarding the different plans and their respective coverages and exclusions.
